Sarah was born and raised in Michigan and is a loyal Michigan Wolverines fan. She moved to San Diego when she was 17, to escape the snow. Sarah attended the University of California, San Diego, where she rowed on the Varsity Women's Crew team, which finished second place in the nation each year she competed. She was also named Coca Cola All American Athlete for her academic and athletic achievements combined with her community service. Sarah moved to San Francisco to attend the University of California, Hastings College of the Law, where she won the California Appellate Moot Court Competition (Traynor) both as a team and as the best oral advocate for the competition. She also completed a prestigious externship with Justice Joyce Kennard of the California Supreme Court. She received her J.D. in 2012, with distinction for 150+ hours of pro bono work and was admitted to practice law in the State of California in November 2012.

Sarah joined the Schuering firm in early 2013, and has been a partner since 2021. Her practice focuses exclusively on medical malpractice defense; she has obtained numerous defense verdicts in medical malpractice trials, and has a very high dismissal rate. Sarah was named a Super Lawyer: Rising Star in 2023, and named Super Lawyer in 2023 and 2024.

Sarah became a new mom to a beautiful baby boy in March 2022. While nearly all her free time is spent with her son, she loves taking him along as she spends time with friends and family, traveling to as many new countries as possible, hanging out with the family dogs, and cheering on her Michigan football team!
